

### **Limited Warranty**

(Please pass on to the vessel owner)

Aqualuma warrants all of its product range with a Two (2) year warranty to be free of defects in workmanship and materials.

Aqualuma warranty will be deemed void if the product is improperly maintained or as a result of misuse, neglect, improper installation or natural disasters such as flood, fire, lightning or unauthorized repairs or modifications.

Aqualuma will replace at it's option any product or part free of charge upon return of the defective item and will pay for return freight within warranty period.

Aqualuma's liability in all claims and events is limited to and shall not exceed the purchase price of the Aqualuma product. No affirmation of fact or warranty expressed or implied other than that set out in the warranty statement above is made or authorized by Aqualuma.

Aqualuma disclaims any liability claims that are due to misapplication, improper selection or misuse. Any liability for consequential or accidental damages is expressly disclaimed.

## *Fitting Instructions for* ***Pathway Light***

## Pathway Light Fitting Instructions

### **12/24 Volt AC/DC only**

This light will operate on 12 or 24 volts ac or dc  
Current draw is .2 of an amp @12 volts

When connecting to a 12 or 24 volt DC transformer  
connect the red wire to positive and black to negative,  
connecting these wires incorrectly for a short time will  
not damage the light but it will not illuminate.

When connecting to a 12 or 24 volt AC transformer the  
connections can be either way
